Terms of Agreement:

1. For the purposes of this purchase agreement, "Buyer" refers to both the buyer and the co-buyer; "Breeder" refers to both breeders listed on the puppy's record.
2. Buyer agrees to use the prefix "Lakota" or "Lakotas" in the registered name of this dog, and to provide their choice of registered name to breeder as soon as possible, so that the breeder can send in the registration paperwork to AKC in a timely fashion.
3. Buyer gives breeder authorization to register this dog in the buyer's name, on the buyer's behalf.
4. The above named dog will be registered with limited registration with the American Kennel Club, which means that it is eligible for all AKC events, competitions and venues, except for Breed Conformation competition, as that is to evaluate breeding stock.
5. Buyer agrees that if for any reason the buyer can no longer keep this dog, the buyer is required to contact the breeder and the breeder has the first right to take back the dog, or help relocate the dog. The buyer also guarantees that at no time will this animal be turned over to the pound, humane society, or animal shelter as a means of disposal.
6. Buyer guarantees to take good and reasonable care of this dog, providing for all of its annual immunizations and other medical, physical and emotional needs, and that this dog will be properly fenced, and will not be kept chained or otherwise tied out, or allowed to run loose unsupervised.
7. Buyer understands that proper obedience training and socialization are essential to ensure a well-behaved canine citizen, and agrees to provide dog with both of these necessities.
8. As this dog is being sold as a non-breeding animal, it is required that buyer have animal spayed/neutered by the age of 12 months, and that every precaution is taken in the meantime to prevent this dog from breeding. We recommend neutering earlier on males.
9. Breeder guarantees that to the best of their knowledge, this dog is in good health and free from communicable disease at the time of purchase, and that the buyer will receive all health records upon receipt of this dog. It is recommended that the buyer have the dog examined by a licensed veterinarian during the first 5 days after receiving.
10. Breeder guarantees that the above named dog may be returned to the breeder within 7 days period from the date buyer received dog, for any or no reason, and the dog will be replaced by another of equal value. Past this 7-day period, the dog may still be returned for any or no reason, and the replacement value will be in direct relation to the amount of training and socialization the dog has received, as well as physical, mental and emotional condition. Return and replacement shipping expenses are the responsibility of the buyer.
11. In the event that the dog is returned to breeder for a health issue, breeder will require all vet records pertaining to this dog.
12. If it is found that the buyer caused the health issue, rather willfully or accidentally, the breeder reserves the right to refund the purchase price less vet expenses paid by breeder, instead of replacing dog. In the event that a health concern or injury, if caused by the buyer, is so severe as to require euthanasia, no refund or replacement will be made to the buyer.
13. If this dog is determined by OFA certification, to have hip dysplasia, breeder will replace dog with another dog of equal value, upon the condition that affected dog has been spayed/neutered, and all registration papers are returned to breeder. Veterinarian and replacement shipping expenses are to be paid by the buyer. Guarantee is to original buyer only, and becomes void in the event that buyer re-sells dog, or allows dog to breed.
14. This dog is being sold as a full hearing puppy. BAER testing will be done prior to the buyer taking possession, and copies furnished to the buyer in their puppy pack. If the puppy does not test normal hearing in both ears, the buyer has the right to cancel this purchase agreement and deposit refunded if there is not another puppy available that meets their satisfaction.
15. If there is not a dog available for replacement, that is satisfactory to buyer, the buyer will be in line for the next pup available for replacement. Breeder reserves the right to refund monies, in lieu of replacing a dog, at breeder's discretion.

**We have read reviewed and understand the above conditions of sale and agree to all the terms of this purchase agreement.
Breeder's guarantees are not valid unless both the breeder and the buyer sign this purchase agreement.**
